VERSE:
The storm rises from the deep
And rages around me
But I will remember

When doubt wars within my heart
The battle almost lost
I will remember

CHORUS:
You have the last word
It is finished
You have the last word
It is finished
My fear is silenced in your love
My hope is endless

VERSE:
Your voice that calmed the violent sea
Speaks courage over me
So I will remember

The words that wake the sun to rise
Are breaking through my night
I will remember

BRIDGE:
Your word stands through the ages
Your voice shatters the darkness
In you we are more than conquerors

You speak and strongholds surrender
Your name overcomes the enemy
In you we are more than conquerors
